

# SENTINEL™ UNCOATED MULTI-USE BOARD

## SENTINEL™ UNCOATED MULTI-USE BOARD

Each year, Evergreen Packaging produces hundreds of thousands of tons of high-quality bleached paperboard that can be converted into a variety of food grade and non-food uses, including take-out boxes, tags, and tickets. This dependable, durable paperboard can be used uncoated or extruded or laminated with various coatings for multiple requirements.

Sentinel Uncoated Multi-Use Board is available in a basis weight range of 136 – 220 lb/3000 ft<sup>2</sup> or a board caliper of .012 – .020 in.
